7. NEW BUSINESS:

A. TBA – Nothing on Legislation –

B. Director Greene spoke with Victor Hipsley . He seems to think that they're going to be able to tack an amendment onto the back of the budget legislation to get the licensing law through. They have already taken the tire dealers out of it based on a definition of tire sales from another state from several years ago. It's based on that business's amount of revenue generated by tire sales.

Q: How will that impact this board?

A: Obviously the number of fulltime staff is going to increase and new office space. The number of board members will remain at 7 – we're not sure how the breakdown will be. The change will be one from education.

C. Frequency of the CRB Newsletter and its necessity.
